47 48 49	THIRI	O ORDER OF BUSINESS	Business Items			
50	A.	Update: Storm Recovery, Road	and Bridge Repairs			
51		Ms. Womack reported the follo	wing:			
52	>	All repairs to the road and foot	bridge were completed. The contractor was able to save			
53	the c	olumns and lights, which were pu	t back in place; the electrician needs to hook the lights			
54	up at	each box. The final cost exceed	led the original proposal, as the condition of the foot			
55	bridg	e, created by the storm, needed	additional flowable fill material to complete the project.			
56	Issue	s may arise in other locations in th	e future.			
57	>	Maintenance of District Storn	nwater Drains: Gulf Coast Utility Contractors (GCUC)			
58	subm	itted a proposal to vacuum the Di	strict and POA stormwater drains as the POA, expressed			
59	intere	est in cleaning its drains. A resp	onse was pending from GCUC regarding splitting the			
60	mobi	lization costs between the District	and POA, if the proposal is executed simultaneously.			
61		Although the property is inspec	cted weekly, Ms. Womack asked to be informed of any			
62	dama	ges, as normal rain events may ca	use damages to weakened areas.			
63		Mr. Dean suggested amending	the Maintenance Agreement with the POA to take back			
64	all the	e infrastructures for stormwater r	nanagement, such as the grates and inlets in the District			
65	right-	of-ways (ROWS). Ms. Womack a	greed that it would be better to manage CDD-owned			
66	infras	tructure items that go through PC	A land, such as the underground boxes, pipes, etc.			
67		Mr. Dean stated that the storm	water system worked as designed; the flooding was due			
68	to an	abnormal storm event, with the	exception of the flooding of lots near the intersection of			

Lost Cove Lane and Pinfish, which was due to the POA installing a sidewalk with the box raised to the level of the new sidewalk, which affected the water draining into it. Discussion ensued regarding cutting a weir into the structure in lieu of lowering it and whether the French drain needed to be cut and drained elsewhere. Ms. Womack noted that Mr. Carroll was preparing a list of recommended maintenance items related to his inspection of the stormwater systems, which suggests lowering several soft cuts at the drainage boxes rather than adjusting the structure. The cut elevations need to be reviewed. The POA would continue managing the pond banks and landscaping. This would be included on the December agenda.

Mr. Balduf stated that several up-lights near the trees by US-98 were not functioning. The contractor would advise to replace the bulbs, as the transformer was already replaced.

On MOTION by Mr. Dean and seconded by Mr. Starlin, with all in favor,

authorizing District Staff to engage the POA in discussions regarding the District acquiring the entire stormwater system from the POA and to prepare

assumptions to present at the next meeting, was approved.

B. Update: Encroachment and Mitigation Plan

Mr. Dean stated that, after various POA Representatives and Ms. Womack met to review the Mitigation Plan, the POA hired a Landscape Architect to advise on beautifying the ponds along Wild Heron Way and planned to engage a separate contractor to maintain the pond landscaping. The POA endeavored to follow the Mitigation Plan.

Regarding conservation areas, Ms. Womack stated that, in response to her request, the POA engaged Buchanan & Harper, Inc., to conduct a specific purpose survey identifying the areas that have been disturbed, in relation to the conservation easement boundary. Upon receipt, she would give them the information needed to restore the areas inside the conservation easement versus the areas that are not subject to the environmental permits.

Mr. Dean noted that the POA was obtaining bids to install a 127' lineal chain-link fence by the dry ponds on Lost Cove, no later than Thanksgiving, prior to hunting season. A Board Member suggested installing additional "No Trespassing" signage.

99		Mr. Dean asked for the standards for CDD Landscape document that he emailed are			
100	inclu	ded on the December agenda as a discussion item.			
101	C.	C. Consideration of Amendment to FY2021 Meeting Schedule			
102		December 7, 2020 at 2:00 P.M., Central Time
